

Teterboro Chief Pilot Webinar

This is a webinar presented by the Port Authority of New York and New Jersey specifically for operators who use Teterboro (KTEB) airport. Teterboro Tower Manager will also present an LRSAT that will discuss Runway Safety and operational improvements in the last year. Additional discussions on new GPS approaches and Wake Re-categorization will be held.

This is a Webinar; disregard the SPANS notice that the event is full or zero seats remain. Only register at the URL provided not on SPANS.

Directions: See "Additional Information" section below for registration and connection/login information.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
